

A decorative border surrounds the text, featuring stylized illustrations of various fish in shades of blue, green, and purple, swimming in a yellow and green ocean. There are also coral-like shapes in pink and orange. The border is composed of horizontal and vertical bands.

27th Annual
KIDS OCEAN DAY
May 19, 2022

The Malibu Foundation for Environmental Education, California Coastal Commission, City of Los Angeles and Keep Los Angeles Beautiful acknowledge your participation in KIDS OCEAN DAY. Your outstanding work in protecting California's beaches, ocean and neighborhoods is greatly appreciated.
